

Using Family Access

Click on the Family Access link from the Sumner School District Web site:
www.sumnersd.org

LOGIN: At the login screen, enter your user name and password.

A simple login interface with a light green background. It has two input fields: "Login:" and "Password:". Below the fields is a blue "Login" button. At the bottom, there is a blue link that says "Forgot your login or password?".

UPDATE EMAIL: When you login, you will be prompted to add your e-mail address if the district does not have one on file. You may also change your password from this screen.

A screenshot of the "Skyward Family Access" web application. At the top, there are dropdown menus for "Student" and "School", and buttons for "Account Info", "Print", and "Logout". The main content area is divided into two sections: "Contact Information" and "Login Information". The "Contact Information" section has fields for Name, Address, Phone, and Email. The "Login Information" section has fields for Current Login, New Password, Retype New Password, and Current Password. A "Save" button is located to the right of the "Contact Information" section. A red text box with arrows pointing to the "Email" field and the "Current Password" field contains the following text: "The district office does not have your email address. Please provide your email address in the space provided, or mark the check box if you choose not to provide an email address to the district at this time." Below this text is a checkbox labeled "Record no Address" and a note: "* Your current password is required before saving changes to your Account." On the left side of the screenshot, there is a sidebar with a "Help" section containing a link for "Family Access Help".

Click on **Family Access Help** for additional information

If you have more than one child in the district, you can navigate to each child by clicking on the student tab at the top of your screen. You will have fewer view options for elementary schools. For example, elementary students do not have the same grading link as secondary students.

STUDENT INFO: All information can be accessed by clicking on the links on the left hand side of the screen
