2022-23 School Meal Prices
For the past two years, a USDA waiver allowed school districts to provide free breakfast and lunch to all students. The waiver has now expired and we need to return back to regular fees for school meals with free-and-reduced price options for qualified families.

Regular Price
Breakfast Lunch Reduced Price Breakfast Lunch Reduced Price Grades K-2 $2.25 $2.00 $0 $0 Grades 3-6 $3.10 $3.00 $0 $0 Grades 7-12 $3.50 $3.00 $0 $0

Possible Bus Delays
Due to a severe bus driver shortage, it’s highly possible that some bus routes will be affected, especially during peak times, and unfortunately the potential of no bus in your child’s route is all too real. We will work our hardest to ensure all families are as much advance notice as we can give.

Future Ready
The District’s new strategic plan, called Future Ready, is a roadmap to successfully fulfill our promise to know, value and support every student, helping them graduate ready to pursue a promising future. The SBLS2022 plan also comes with a commitment to promote a culture of fair and inclusive practices, where each student receives equitable access to the opportunities, resources and supports to succeed and thrive.

Strategic Plan Summary
The plan comprises three components:
1. Student Learning
   • Our Promise
   • Cares and Measure of Student Success
   • Portrait of a Graduate
2. Instructional Effectiveness
   • Building Blocks for Academic
   • Professional Practice
   • Adaptable Strategies
3. Operational Infrastructure
   • Responsive and Efficient Support
   • Disciplined Implementation

Goals
The strategic plan’s core component is Student Learning with five measurable goals – with equity in mind – that span preschool to high school:
1. Success in the Early Years
2. Nurtured, Engaged and Empowered Students
3. Academically-Prepared Critical Thinkers
4. Elimination of Disparities in Student Access and Success
5. Readiness for College, Career and Life

Portrait of a Graduate
As the plan’s names suggest, we’ve incorporated a focus on readiness for the future with a Portrait of a Sumner-Bonney Lake Graduate, which features these five areas of knowledge, skills and attitudes:
1. Responsible Community Contributor
2. 21st Century Collaborator
3. Innovative Critical Thinker
4. Globally-Conscious Member of Society
5. Self-EmPOWERed Learner

Diverse Voices, Unified Direction
The five-year strategic plan was developed over several months in collaboration with 200 diverse voices involving student, staff, families and community members. To read the plan in detail, go to sumnersd.org/futureready. To learn how we’ll measure success and the ways Instructional Effectiveness and Operational Infrastructure help support the core focus of Student Learning.

Emergency Information
Inclement weather, power outages, hazardous road conditions
The decision to close or delay schools is made in as early as possible, usually around 1:30 a.m. Schools may also delay in dismissal significantly increased hazards. In the event an early dismissal is required, it is important that you have a plan for your child. For real-time announcements and updates, go to sumnersd.org and follow us on social media.

Lockdowns, police activity, bus accidents, potential threats
During an emergency, our first priority is to protect our students and staff. When we share information, our goal is to ensure that it’s timely and accurate. At times, we’re not at liberty to share information in an environment. We communicate what we can when we can. Emergency situations are dynamic, ever-changing, very wide. The family communication produced or used only as a public relations tool merits alternative communication actions. Visit sumnersd.org/safety.

School Safety Tip Line
If you have information about a threat to student or school safety, please report it. Tips will remain anonymous and are taken very seriously. SBLS2022 code is 1251.

YES Summer-Bonney Lake
Our partner program, YES Summer-Bonney Lake, provides behavioral health services to students 12 years and older. This free service connects you to a social worker who offers mental health screening, community referrals and brief individual therapeutic interventions. Families and students may access YES Summer-Bonney Lake services through their school’s counselor or directly at https://1251.alert1.us

We will know, value and support every student, helping them graduate ready to pursue a promising future.
