SUMNER SCHOOL DISTRICT HOSTS
INFORMATIONAL OPEN HOUSES ON SPECIFIC BOND PROJECTS

SUMNER, WA: The Sumner School District will host four informational open houses to address specific capital facility projects being considered for a February 2016 bond measure. The four open houses are in response to the District Bond Communications survey conducted August 10 – September 4, 2015, wherein survey participants requested more information as to why these are critical capital facility needs.

The following events will provide additional information on current and projected student enrollment along with detailed information specific to each project. The District welcomes the community to the following:

**October 20, 6:00-7:00 p.m.**
Mountain View Middle School Addition
Mountain View Middle School, 10921 199th Ave. Ct. E. in Bonney Lake
